

Year 2 Homework – Spring 1

Week 1-12th January

English: Write a letter to Paddington about your Christmas holiday.

Maths: Complete the worksheet.

Geography: Write sentences to explain what weather and climate is and the difference between them.

Week 2 - 19th January

English: Write a speech trying to persuade your teachers to make break times longer.

Maths: Complete the worksheet on money.

PSHE: Create a poster explaining what makes a healthy diet.

Week 3 – 26th January

English: Use expanded noun phrases to describe your favourite character from your favourite book.

Maths: Complete the multiplication worksheet.

Art: Draw a self-portrait using different tones and shades.

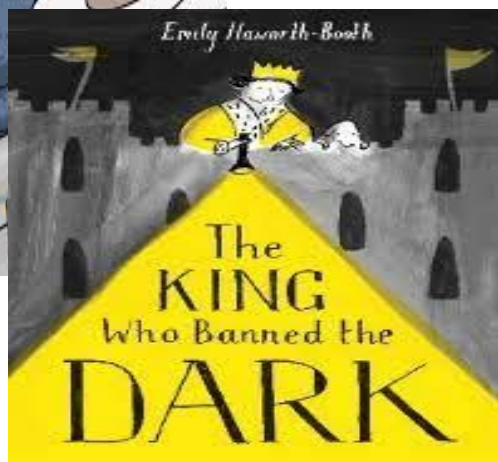

Week 4 – 2nd February

English: Create a poster to persuade children to look after our school.

Maths: Complete the maths worksheet.

Science: Carry out an investigation, using materials you have at home, to check which materials can absorb water. Write a list of materials that could and could not absorb water.

Absorbent Materials

Week 5 – 9th February

English: Write a poem about your favourite animal.

Maths: Complete the maths worksheet.

Computing: Draw your own versions of William Morris' patterns. If you can, use 'paint' on the computer to do this!
